By this amendment, Applicant has cancelled claims 1, 11 and 15-18 and amended dependent claims 2-10 and 12 to be dependent upon allowed claim 13. Applicant respectfully requests reconsideration of the pending application in view of this amendment. No new matter has been added. Applicant asserts all pending claims are in condition for allowance because they contain allowable subject matter as indicated by the Examiner.

With respect to the prior art rejections made by the Examiner in the Office Action mailed April 1, 2005, Applicant disagrees with the Examiner's characterization of the prior art references. However, in order to expedite prosecution, Applicant has amended the pending application to maintain those claims indicated allowable.

With respect to the Examiner's indication of allowable subject matter in claims 13-15, 19 and 20, Applicant disagrees with Examiner's characterization of what is well known in the prior art. Applicant respectfully requests a citation to a prior art reference
